

(Preliminary) Title of the project	- ERASMUS FOR YOUNG ENTREPRENEURS- Cloud Incubator HUB
Outline of the project idea	<p>Cloud Incubator HUB (please, you can see our site in http://www.cincubator.com), is an initiative of the University of Cartagena (Region of Murcia, Spain) that aims to encourage and support the enterprising spirit in the ICT and, more specifically, in the field of applications for last generation mobile devices. Cloud Incubator HUB is an incubator/accelerator of companies whose objective is the creation startups under Application for Mobile Devices (Apps), Internet TV, Internet of Things and Cloud Computing.</p> <p>The hub not only serve to enable entrepreneurs to carry out their projects. It also wants to promote a genuine culture of entrepreneurship related to ICT in the universities and the Spanish companies in a sector with enormous economic potential for development. Cloud Incubator HUB has privileged facilities in the Center for Technological Innovation (CEDIT) of the UPCT in the Fuente Alamo Technology Park (Murcia, Spain) (www.ptfuatealamo.com), which promotes collaborative work between young entrepreneurs and networking with experts in several areas (venture, creativity, art, education, research, industry, entertainment, tourism, and so on.).</p> <p>Cloud Incubator HUB is open to all young entrepreneurs, both inside and outside Spain, having an idea and want to become business. For this, they offer the following services for a period of six months that are considered sufficient to study the feasibility of technological and business startup: Collaborative space where entrepreneurs develop their business by sharing your expertise with other entrepreneurs; technology training and business-oriented type of startups emerging in the field of HUB; accompaniment by mentors from the initial design stages of the startup until the entry of investors for final release as a company; computer equipment and machinery for development of applications and gadgets; meeting, assembly hall, leisure and rest areas, car parking, etc.; access to legal advice and business; access to a residence on economically advantageous terms.</p>
